

Refurbishment & Restart Project

MILESTONE Achievement

Milestone title	First sale and ocean shipment of copper concentrate
Milestone date	22 February 2018
Location	Port of Townsville
Milestone description	
<p>Capricorn Copper's first sale and shipment of 11,800 wet metric tonnes of copper concentrate has loaded onto the Erna Oldendorff at the Port of Townsville.</p> <p>The shipment was loaded at South 32 Cannington's port facility, under our long-term logistics agreement, and is set to sail for the Port of Nantong in China.</p> <p>The success of our first shipment of high quality concentrate showcases the world class facilities and capabilities in our logistics chain, our ability to deliver our product to customers anywhere in the world and is further evidence of our track record of delivering results.</p> <p>This milestone is a culmination of the high quality work carried out by the entire Capricorn Copper team.</p> <p>Congratulations!</p>
